## BIOGRAPHY

## CRAFTSMANSHIP & PERFORMANCE COSTUMERS

Re:Star is a Florida based, world champion and international award-winning cosplay performance & craftsmanship-focused duo. Members Ash and Chaosity have a potent and diverse portfolio in both craftsmanship and stage performance, with history representing the USA in World Cosplay Summit & GICOFC. The duo is recognized for their flashy and stage-ready costume style influenced by Japanese stage performers; however, the pair love to immerse themselves in learning new techniques for every project. The pair at Re:Star focus their craft on showcasing harmony between the art of performance and detailed costuming to make it feel like their characters jumped right out of their media to perform for you!

## CONVENTION SERVICES

### Cosplay Contest Judge

Re:Star has a keen attention to detail, a wide array of familiarity with cosplay construction techniques, and on hand experience within contest circuits that can be used to confidently assess costumes from beginner to masters. We also have a vitalized passion for the art of performance for skit based entries as well!

### Panelist

Re:Star specializes in showcasing their expertise of melding performance and craftsmanship together in their panels for any and all skill levels. Our favorite panel is Costume "Idolization"!, focusing on sharing how to embellish costumes for the stage for any level of cosplayer.

### Event Performance

Our main priority is to create a lively and energetic performance that can be brought to stage for anyone of any age! With our main passion being idol centric live acts, we can bring a fun set to perform to any one of your stages! Idol events, half time shows, event fillers, you name it!
